

4 WAYS TO SAVE on Prescription Drugs

Check out these tips
to save time & money

1
Rx

Ask for **Generic Medications**

They contain the **same ingredients** as brand name drugs but cost you **a lot less**.

Use **Mail Order Services**

Receive a **3-month supply** for the **cost of about 2 months** for medications you take daily.

3

Check Out **Discount Programs**

Get cost **comparisons** and receive **coupons**. Consider *Goodrx.com*, *rxsavingsolutions.com*, or *wellrx.com*.

Be Your Own **Advocate**

Talk to your doctor about your medications & their costs. **Do your research!**

HOW DO Rx COUPON SITES WORK?

Prescription drug coupon sites are easy and safe. Just enter the prescription name and your zip code.

Instantly, you'll know the cost at local pharmacies. On many sites, you can sort by cost or by location.
